USB CHARGING

***WARNING: Please DO NOT use adaptor with ">5V" output**

- Fully charge the product before use. The indicator light will flash white charging and will stop flashing when fully charged.

PRODUCT CLEANING

- Please disinfect the product before use: clean it with warm water and antibacterial soap, and then wipe it with a towel or a soft cloth.
- Do not use massage oil, hand cream, detergent, petrol, or acetone as a lubricant.
- Clean the product as soon as possible after use. There are often a lot of secretions and lubricant residues. If not cleaned in time, these can easily breed bacteria.
- Wash it with warm water and soap. It is recommended to add detergent specifically designed for sex toys, disinfectant, or 70% alcohol (long-term use of alcohol is not recommended because alcohol will corrode the surface of the product and shorten its lifespan).
- Drying: It is recommended to wipe it with a cotton cloth or high-quality tissue after washing, and then let it dry naturally instead of exposing it to sunlight.
- Store it in a dust-free environment, away from other materials.

SAFETY

- As an intimate partner of users, it's a common duty to use this product safely and healthily for both customers and us. Thus, we mind our customers that:
- 1. This product is for personal use only. For your health, please do not share it with others.
- 2. To meet the different demands of different people, this product is designed with different vibration frequencies. Please stop using it immediately if you feel any discomfort or have an allergic reaction.
- 3. It is suggested to use the product together with lubricant to achieve a better effect. Please stop using it if the surface is not smooth or has sharp corners.
- 4. Please keep the product away from kids and pets.
