### HOW TO USE

## USB CHARGING

\*WARNING: Please DO NOT use adaptor with ">5V" output

- Connect the device to USB port to charge.
- Do not use the device while charging.
- Please connect with power adapter below 5V.
- Do not submerge under water.
- If the product is not charging while plugged in, please wait 10 minutes and try again.

## PRODUCT CLEANING

- Please clean the product ASAP after using because there are lots of secretions and lubricant residue which will easily breed bacteria if not clean for a long time.
- Wash with warm water and soap, suggest to add detergent specialized for sexy toys, disinfectant or 75% alcohol(long term use of alcohol is not suggested because alcohol will corrode the appearance of the product to shorten it's life.)
- Drying: suggest to wipe with cotton cloth or high quality tissue after washing and then naturally other than exposure under the sunlight.
- Please storage dust-free and with no other material.

## SAFETY

As an intimate partner of users, it's a common duty to use this product safely and healthily for both customers and us. Thus, we remind our customers that:

- This product is for personal use, please do not use with others for your health.
- In order to meet different demands of different people, this product designed with different vibration frequency. Please stop using if feeling and discomfort or allergy.
