USB CHARGING

***WARNING: Please DO NOT use adaptor with ">5V" output**

- Please fully charge the product before use.
- The indicator light will flash while charging and stop flashing once fully charged.

PRODUCT CLEANING

- Please disinfect the product before use: clean with warm water and antibacterial soap, then wipe with a towel or soft cloth.
- Do not use massage oil, hand cream, detergent, petrol, or acetone as a lubricant.
- Clean the product as soon as possible after use, as secretions and lubricant residue can easily breed bacteria if left uncleaned for a long time.
- Wash with warm water and soap. We recommend using a detergent specifically designed for sex toys, disinfectant, or 70% alcohol. (Note: -Long-term use of alcohol is not recommended, as it may corrode the product's surface and shorten its lifespan.)
- Drying: We recommend wiping with a cotton cloth or high-quality tissue after washing, then allowing it to air dry naturally—avoid direct sunlight.
- Store in a dust-free environment, away from other materials.

SAFETY

- This product is for personal use only; please do not share it with others for your health and safety.
- This product is designed with various vibration frequencies to meet different needs.
- Please stop using it if you feel discomfort or experience an allergic reaction.
- We recommend using it with lubricant for a better experience.
- Stop using it if the surface becomes rough or has sharp edges.
- Keep the product away from children and pets. If the product is swallowed by a child or pet, please seek medical attention immediately.
