PRODUCT CLEANING

- Disinfect the product before use: Clean with warm water and antibacterial soap, and wipe with a towel or soft cloth.
- Do not use massage oil, hand cream, detergent, petrol, or acetone as lubricants. Clean the product immediately after use to prevent secretion and lubricant residue from breeding bacteria if left uncleaned for too long.
- Wash with warm water and soap. It is recommended to use a detergent specifically designed for adult toys, a disinfectant, or 70% alcohol. (Note: Prolonged use of alcohol is not recommended as it may corrode the appearance of the product, shortening its lifespan.)

SAFETY

- This product is for personal use only. Please do not share it with others to ensure your health and hygiene.
- To meet the diverse needs of different users, this product is designed with various vibration frequencies. If you experience discomfort or an allergic reaction, please stop using it immediately.
- Caution should be exercised when using the product for anal stimulation to avoid injury in case it falls inside. It is recommended to use lubricant for a better experience.
- If the product's surface is not smooth or has sharp edges, please stop using it.
- Keep the product away from children and pets. If any part of the product is swallowed by children or pets, please seek medical assistance immediately.
