PRODUCT CLEANING

- Please disinfect the product before use: clean it with warm water and antibacterial soap, and wipe it with a towel or a soft cloth.
- Please do not use massage oil, hand cream, detergent, petrol or acetone as a lubricant.
- Please clean the product ASAP after use because there are lots of secretions and lubricant residues which will easily breed bacteria if not cleaned for a long time.
- Wash it with warm water and soap. It is suggested to add detergent specialized for sex toys, disinfectant, or 70% alcohol. (Long - term use of alcohol is not recommended because alcohol will corrode the surface of the product and thus shorten its lifespan.)
- Drying: It is suggested to wipe it with a cotton cloth or high - quality tissue after washing, and then let it dry naturally instead of exposing it to sunlight.
- Please store it in a dust - free place and away from other materials.

SAFETY

- As an intimate partner of users, using this product safely and healthily is the common responsibility of both customers and us. Thus, we remind our customers of the following:
- This product is for personal use only. For your health, please do not use it with others.
- To meet the different demands of different people, this product is designed with different vibration frequencies. Please stop using it immediately if you feel any discomfort or have an allergic reaction.
- Please be cautious when using the product to stimulate the anus to avoid body injuries in case it falls into the anus during use. It is suggested to use it together with lubricant to achieve a better effect. Please stop using it if the surface is not smooth or has sharp corners.
- Please keep the product away from kids and pets. If any component is eaten by kids or pets, please send them to the hospital immediately.
